Coast-to-coast operations for ultra-rare GM company vehicles

## 002 LEGENDARY ACQUISITION

Ultra-Rare Prototype Discovery

### VIN:002 - 2020 Mid-Engine Corvette Prototype

We successfully acquired the second-ever mid-engine Corvette prototype through our GM company car network. While VIN:001 resides in the prestigious Corvette Museum, VIN:002 became available through our exclusive dealer access program - a once-in-a-lifetime opportunity that showcases the extraordinary vehicles accessible only through this program.

**MUSEUM QUALITY**  
Showroom Display

### NOW ON DISPLAY IN OUR SHOWROOM

Recognizing the historical significance of this automotive milestone, Gamblin Motors kept VIN:002 as a permanent showroom display. This prototype represents the revolutionary moment when Corvette moved the engine behind the driver - a decision that changed automotive history forever.

MIDNIGHT EDITION

- Automotive heritage

### Why Nationwide Operations Are Essential

Vehicles like VIN:002 Corvette prototypes, special editions, and MSO title cars are so exceptionally rare that they require sourcing from across the entire country. Our nationwide network ensures we can locate and acquire these once-in-a-lifetime opportunities - some so special we keep them as showroom centerpieces to demonstrate our commitment to automotive history.
